

Dear Honorable Judge Glenn,

I am writing to ask for your help with respect to my distribution from Celsius (Case No. 22-10964). I am a hard working young nurse who unfortunately put most of the little savings I had into Celsius. I am a US customer and have a convenience class claim for which I have not received my distribution instructions.

For some time I was trying to get support from Celsius to regain access to my account so I could verify my contact details and make sure that they were the same as my Venmo/Paypal. I wanted to do this so that there would be no problems with my distribution. For some reason, the Celsius system instructed me to re-provide documentation of my identity but would not let me do it on my own. I contacted Celsius support at that time, but they were not helpful and was left to hope that I would just get my distribution emails. I have friends and family members who have received their distributions over a month ago and I became concerned that I did not receive mine. I reached out again to Celsius support to ask why I did not get my distribution and to ask for help and I got a form letter back which didn't tell me anything other than to sit tight and that they have lots of people to help. When one of my patients needs help, I don't sit tight and hope for the best, I do something to help them.

I appreciate that there are many who lost much more than me, but the few thousand dollars I did put in Celsius means a lot to me and it is important for me to get back all that I am entitled to. I have attached the page of the claim schedule with my claim highlighted.

Please help!

Jillian Garfunkel
